

Dear Sir or Madam, I am writing to let you know that the K-LOVE radio station is very important to me. It is the only source for contemporary christian music in our area. If the FM translators are replaced by LPFM and K-LOVE is no longer available it would be a great loss for my area in Kentucky. I believe that the broadcasting of K-LOVE is in the public interest in that it provides an alternative for our children that has no foul language and no constant badgering of commercials. Please take this into consideration when deciding on this issue.

Thank you,

Sally Diehl
